Sat. - J & J STEM luncheon for girls - need sub sandwiches, chips, water

One team competing at the BR FMA asked what RAMP can do to help pay for their teams meals since they qualify for Free/Reduced Lunch.

Suggestions were to offer them a discount.

Two parents at the RAMP meeting offered to pay for the team's meal

A plan should be prepared if this requested by a team in the future and a set price should be given for students that qualify for free/reduced lunch.

Next RAMP meeting April 8th
