RAMP General Meeting Minutes 6/8/20

Last meeting for the season

From funding perspective there are no issues.

Going into the next season with good amount of funding.

We will be using the current robot. And may enhance or change as required. So no large outlay for robot parts.

Seek guidance from the counselors regarding plans for upcoming season

And plan for incoming freshmen

Possibility of school cutting team budget for next year depending on situation.

Started this year with \$36,000. Will be starting next year with \$42, 000 (\$6000 up)

Got \$27 from amazon smiles.
